World Ozone Day Report

Organized by: Green Guardian in collaboration with the Department of Geography at St. Xavier's College, Simdega:

Date: Celebrated on 14 October 2026 (Originally celebrated on 16th sept was rescheduled)
Venue: College Campus
Objective:
To teach students about the ozone layer, why it is important for protecting the Earth from harmful UV rays, and how to stop ozone depletion.

Event Overview

Awareness Walk: Students visited classes of different departments and told about the importance of ozone ,ozone protection and reducing harmful substances.

Quiz: Every class they visited question answer session was held with surprise gifts to test and reward student knowledge.

Pledge: Students took an environmental oath to protect nature and spread awareness.

Benefits: Students learned a lot, worked together across different departments, and built leadership skills.
Feedback: Most of the questions asked during the interactive sessions and quiz were successfully answered by the students.
Key Benefits: Students gained a better understanding of ozone science, environmental responsibility, and improved their teamwork and leadership skills through inter-departmental cooperation.
Conclusion
The World Ozone Day celebration was a meaningful and successful event that effectively educated students on environmental conservation. Although rescheduled due to exams, the strong student participation, successful quiz responses, and collective pledge proved that protecting our environment is a shared responsibility requiring teamwork and awareness.
